

TOP OF MICHIGAN AMATEUR RADIO CLUB
**SHORTWAVE LISTENING & AMATEUR RADIO
CLASSES**

January 22 9AM-Noon

Short wave listening class

January 29 9AM-Noon

Amateur Radio Technician Class Part 1

February 5 9AM-Noon

Amateur Radio Technician Class Part 2

**Do you want to explore the strange world of shortwave Radio?
Do you want to get your Amateur Radio License?**

With these classes you will be able to:

- Listen to international shortwave broadcasts, amateur radio conversations, spy and pirate radio stations, and more.....
- Learn about the world of Amateur Radio
- Prepare for your Amateur Radio Technician license exam

Classes held at the Otsego County Library, 700 S. Otsego Ave, Gaylord, MI, 49735

Class is FREE but size is limited. Please register before attending to make sure you have a seat!

Contact John at jwc123@gmail.com or 989-619-4499 for questions/reservations

For the Technician Classes we will be using the KB6NU No-Nonsense Tech guide (July 2018 to June 2022 edition). This is a FREE download or you can purchase a paper copy from <https://www.kb6nu.com/study-guides/>

It is highly recommended to go over the book BEFORE the Technician Classes start. No books is needed for the Short wave listening class.

Bring a notebook and pencil and your questions

*FCC Amateur Radio Testing sessions will be held in Traverse City on 2/12 at the Cherryland ARC swap meet. Cost is \$15. You MUST obtain your FCC FRN prior to testing.

More information at http://cherrylandarc.com/?page_id=56.

*Future Gaylord Testing sessions will also be held after the Cherryland Swap. More information will be at <http://nm8rc.org/>
